WELCOME TO An Amazing YEAR IN

Dear 1st Grade Families,

We are excited to begin this new school year. As educators, we value an environment that is engaging, productive and structured for all students. Our goal for our children is to motivate and cultivate a **Growth Mindset** where students who believe will achieve! We strongly believe in the partnership between parents and teacher to provide our "Firsties" an enriching educational experience. **We look forward to working as a team with you and your child!**

Please don't hesitate to contact me if you have questions or concerns.
212-860-5803

We look forward to a great school year!

Sincerely,

First Grade Team
